

REMARKS

Favorable consideration of this application, as presently amended, is respectfully requested.

The present preliminary amendment is submitted to place the above-identified application in more proper format under United States practice.

By the present preliminary amendment, original Claims 1-6 are cancelled and new Claims 7-12 are presented for examination. New Claims 7-12 are deemed to be self-evident from the original disclosure, including original Claims 1-6, are thus are not deemed to raise any issues of new matter. Further, any differences between new Claims 7-12 and original Claims 1-6 are deemed to at most broaden the scope of new Claims 7-12.

The Abstract has also been amended by the present response to be in more proper format under United States practice.

The present application is believed to be in condition for a full and thorough examination on the merits. An early and favorable consideration of the present application is hereby respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
